SOCIETY OF AMERICAN MILITARY ENGINEERS HOLDS ANNUAL SMALL BUSINESS WORKSHOP AND BUSINESS ROUNDTABLE

This year's Society of American Military Engineer's Small Business Workshop and Business Roundtable is planned for Thursday, December 5th, 12:30 pm to 5:30 pm, educational program offers topics of interest to construction contractors and architect engineering firms for small and large businesses. The event will be comprised of representatives from the Corps of Engineers, Air Force, small business construction and AE firms to discuss business opportunities and experiences working with Federal agencies. Small Business representatives from the Corps of Engineers, SBA, Small Businesses and a Legal Consultant will be on hand for a panel to discuss pertinent and timely issues. The SAME Cincinnati Post Board of Direction will be present to speak, including the Commander of the Cincinnati, Corps of Engineers; a representative from the City of Cincinnati Transportation and Engineering; and executives from I-Space and P&G Engineering. This panel session will discuss issues relevant to the local community as defined by Army Corps missions. Also speaking will be representatives from the Air Force, and Veterans Administration, and other business offices to get a quick overview of their programs and discussions on how to compete for work such as planning studies, AE Design services,

construction, and other contracting opportunities. There will be a special presentation by a Partner from McDonald Hopkins LLC on the new 2013 Defense Authorization Act, recent bid and protest decisions and important Federal Laws that can impact your business.

This year's event will be held at the Hyatt Regency, 151 West Fifth Street, Cincinnati, OH. If you plan to stay overnight at the hotel, call 1-888-421-1442 for reservations. Registration is free for this afternoon event if you register on line at the Kittyhawk Post web site at <http://same.org/kittyhawk>. Registration in advance will insure you have a seat available. Please direct any questions about the conference to Ken Stegall, President, Kittyhawk Post at kstegall@cms-corporation.com.

The Society of American Military Engineers (SAME), the premier professional military engineering association in the United States, unites architecture, engineering, construction (A/E/C), facility management and environmental entities and individuals in the public and private sectors to prepare for—and overcome—natural and manmade disasters, and to improve security at home and abroad. The local Kittyhawk Post, based out of Fairborn, Ohio, holds their monthly programs at Wright Patterson AFB. Learn more at <http://same.org/kittyhawk>.
