

ICC 2006 – 2012 IBC Transitions Class

This Class will be presented with amendments for the 2014 Indiana Building Code, Effective on December 1, 2014

A training seminar sponsored by the Indiana Association of Building Officials, Inc. a chapter of the International Code Council, Inc.

Event Information

Indiana Association of Building Officials will host a seminar on January 22, 2015 to present and discuss the changes in the Indiana Building Code. The International Code Council will present a course titled 2006 – 2012 IBC Transitions Class. This will include the Indiana Amendments to the code. We understand that this is coming after the adoption date for the 2014 Indiana Building Code. This was necessary because of some scheduling conflicts, so let's make the most of it and take the time to study and use the code prior to coming to class. This will allow time to develop questions and will hopefully lead to a more productive and informative class. We cannot guarantee materials if you register later than two weeks prior to the class.

Date: January 22, 2015

- Registration will begin at 8:30 AM.
- Class will Start at 9:00 AM
- There will be 1 Hour for lunch.
- Class will conclude at 4:00 PM

**Location: Currently the class is to be offered at Brownsburg,
Brownsburg Fire Territory
470 East Northfield Dr.
Brownsburg, IN 46112**

Class Information

Seminar Title: 2006 – 2012 IBC Transitions

The 2014 Indiana Building Code is based on the 2012 International Code. This course will include the Indiana Amendments.

Description: This seminar will assist participants in implementing the transition from the 2006 IBC to the 2012 IBC. It will include relevant changes in the 2009 IBC. This interactive training will focus on the key changes presented in the participant material. Knowledge review questions will provide opportunity for participants to discuss and consider the changes.

During this training, participants will be listening to lecture and engaging in class discussion and exercises.

Goal: Upon completion of the course, students will be able to better use the 2012 IBC, allowing them to apply its code requirements to design, plan review, and/or inspection of buildings.

Objectives: Upon completion of this seminar, participants will be better able to:

1. Identify the key differences between the 2006 IBC, 2009 IBC, and the 2012 IBC.
2. Explain the differences between the current and previous editions.
3. Apply the code requirements for design, plan review and inspection.

Instructor: Terrell Stripling, ICC Instructor
