Regional Sustainability - SW Ohio Perspectives

SW Ohio is growing to be one of the largest Metropolitan Statistical Areas in the United States. This panel of political leaders from the four largest SW Ohio counties will talk about sustainability efforts within their individual counties and will discuss how SW Ohio Counties can collaborate on regional sustainability initiatives that will help spur greater economic growth and improve quality of life throughout the entire region.

Panelists:

Commissioner Judy Dodge, Montgomery County

Commissioner Todd Portune, Hamilton County

Commissioner Pat South, Warren County

TBD, Butler County
