IKSMC-MMC-AIA-BCA of NE Indiana
Present the
9th ANNUAL LEARN TO EARN EVENT

We welcome you with our industry presenters in earning valuable AIA health, safety and welfare Continuing Education credits.

Each program offers valuable information that can help you identify specifications to be included in your next project design & bid package. Take what you learn back to your office and share your knowledge of new masonry updates, ASTM standards, and code relevance to design.

We are pleased to provide this program to communicate the attributes of masonry in safety, sustainability, life cycle savings, environmental soundness, regional product manufacturing, skilled installation, technical resources, and a variety of modern and traditional aesthetics coupled with century proven durability.

**IMMEDIATELY FOLLOWING PROGRAM NETWORKING & DOOR PRIZES
WILL BE AWARDED.... 5 PM – BE SURE TO JOIN US!**

This program, including continental breakfast and lunch, is *free* with pre-registration “*thanks to our sponsors*”
