Midwest Masonry Council 317-504-3593*

*or Jason Shelley, AIA, Executive Director  
317-919-1507*

**MMC AIA CSI**  
Present the  
**9<sup>th</sup> ANNUAL LEARN TO EARN EVENT**

We welcome you with our industry presenters in earning valuable AIA health, safety and welfare Continuing Education credits.

Each program offers valuable information that can help you identify specifications to be included in your next project design & bid package. Take what you learn back to your office and share your knowledge of new masonry updates, ASTM standards, and code relevance to design.

We are pleased to provide this program to communicate the attributes of masonry in safety, sustainability, life cycle savings, environmental soundness, regional product manufacturing, skilled installation, technical resources, and a variety of modern and traditional aesthetics coupled with century proven durability.

This program, including continental breakfast and hot lunch, is *free* with pre-registration "*thanks to our sponsors*"

**November 18<sup>th</sup>**  
In Indianapolis  
8:30AM Registration
