

Interior Designer / Senior Interior Designer

Blackline

Indianapolis, Indiana

Blackline is an award-winning architecture and interior design practice with a diverse range of projects including innovative workplace design, single and multifamily residential projects, hospitality and restaurant design, and civic and cultural places. Blackline invites dynamic, creative and motivated individuals to join our team of talented designers. We create artful and progressive environments for living and working.

Blackline is seeking a versatile and experienced Interior Designer to provide leadership in design, project management and team communication. Blackline offers growth potential for motivated individuals who seek to advance their careers as well as a competitive salary and benefits package.

Qualifications:

- Bachelor's Degree in Interior Design or an equivalent field
- 5+ years of professional experience as an interior designer or interior architect
- Proficiency in Revit, AutoCAD, Sketchup and Adobe Creative Suite
- Knowledge of and ability to research codes

Responsibilities:

- Design research, programming, space planning and preliminary concepts
- Material, fixture and furnishing selections
- Generate full construction drawings including technical details
- Oversee construction, fit and finish of interior environments
- Collaborate and manage communication among the client, architect and team
- Manage and mentor younger design staff
