Architura Corporation is seeking a full-time or part-time entry level or mid-level architect for a position within a multi-disciplinary architecture firm.

Architura was established in 2000 and is stronger than ever & growing. We are located in Indianapolis, IN on Monument Circle and offer a dynamic work environment with growth potential. As multidisciplinary designers, we collaborate to develop creative, cost-effective, solutions that help realize our clients' goals. Typical projects include commercial buildings as well as city, state and federal government facilities; and historic building renovations.

Position includes:

- Healthcare stipend
- Paid parking
- Salary commiserate with experience
- Possible flex-hours for the right candidate.

Candidates need to possess:

- Experience using Revit as a design platform.
- Solid understanding of a wide range of computer applications used in a professional design office: Photoshop, InDesign, 3D StudioMax, Sketchup, etc.
- Experience in working in an office/professional setting.
- A strong work ethic and a drive to exceed client expectations.
- Preferably a solid experience as a design architect with ability/experience to grow into a project manager.

Duties will include:

- Design of commercial and government building projects
- Conceptually working to develop new building and renovation designs
- Coordinating with a multi-disciplinary project teams throughout the design process.
- Production of design deliverables
- May be asked to attend client meetings and design review meetings
- Work with Project Manager to develop final construction plans
- On-site construction administration and site inspection visits may be necessary to assess the quality of the work

Applicants should be aligned to approach solutions with the following behaviours:

- Solve problems proactively
- Follow-up on commitments
- Be willing to work at all levels needed to succeed

Applicants submit resumes to: lynn@architracorp.com
