

EPOCH

ARCHITECTURE + PLANNING

Job Opening: Graduate Architect

Located in South Bend, Indiana the Epoch team is detail-oriented, understanding, and diverse. We appreciate the value of follow-up, and do what we say we're going to do. In our world, maintaining focus is the key to a successful project. Everyone contributes. Each member of our team has a purpose and each offers a high-end skill set.

At Epoch we're looking for a graduate architect with 0-3 years of experience who is ready to take on a variety of roles both in the office and in the field. At Epoch you'll be able to work on a range of project types and scales for a diverse list of clients. For more information on how we work and what we do click through to epoch-design.com.

Experience: 0-3 Years

Skills: To qualify for this position a graduate architect will

- Have a working knowledge of how to use Revit to both design and detail a project
- Have either a bachelor's or master's degree in Architecture
- Be able to work well in an open office environment
- Be able to complete tasks on a deadline
- Be willing to learn new methods and ask for help when necessary

Contact: Email your resume to web@epoch-design.com
