

## **Career Opportunity - Project Architect**

### **Description**

Scholer Corporation, a well-established architectural and engineering firm celebrating our 91<sup>st</sup> year of practice, is seeking a Project Architect for our office in Lafayette, Indiana. The primary duty of this position is working with our clients to create innovative building solutions for projects in the fields of education (primary, secondary and higher education), places of worship, civic buildings and renovation of historic structures. This individual will be able to work as part of an interdisciplinary project team, develop innovative design concepts, produce contract documents and assist through the construction phase of the work.

### **Required Skills**

- **Design:** Based on interaction with clients, generate creative design solutions and translate concepts into images for review. Integrate feedback received to modify designs and demonstrate attention to detail.
- **Effective Communication:** Listens well to clients and is able to clearly present information through spoken and written word; reads and interprets complex information.
- **Demonstrates Leadership Skills:** Willing to assume the role of team leader as necessary; sets an example for coworkers; delegates responsibility and empowers others to make decisions and take professional accountability for decisions.
- **High Accuracy and Attention to Detail:** Able to perform work with thoroughness and accuracy and understands that errors can have an impact on the outcome of a project. Is diligent in monitoring a project and concentrates on organization and details.
- **Computer Skills:**
  - Proficiency with AutoCAD in the production of design and construction documents
  - Proficiency with SketchUp 3D modeling
  - Microsoft Office: Word, PowerPoint, Excel, Access and Outlook
  - Adobe Acrobat

### **Required Experience**

- Bachelor or Master's degree in Architecture from an accredited university
- Professional Licensure in Architecture
- 6 - 10 years of experience, significant experience in education projects preferred

### **Compensation**

Salary commensurate with experience, competitive medical insurance plan, company paid life, AD&D, short-term and long-term disability insurance, vacations and holidays and 401k retirement program

Interested applicants should submit email with resume to Steve Gloyeske at [sgloyeske@scholer.com](mailto:sgloyeske@scholer.com)
