

EXPERIENCED GRADUATE ARCHITECT (INDIANAPOLIS OFFICE)

Compensation: Competitive compensation, health/life insurance, vacation/holidays, 401k program and as profits and performance permit.

Our Indianapolis office is seeking a creative graduate architect with 2-5 years of healthcare or similar related experience to work closely with Project Architects/Managers in developing project designs and documentation.

Applicants must have a Bachelor or Master degree from an accredited university for architecture. This position will require strong communication, time management, and organization skills. Candidate must be able to show initiative, carry basic concepts and ideas to completion with minimal direction and guidance, and work efficiently and productively in a team-based organization with a primary focus on healthcare and higher education projects.

Other skills we are looking for include, but are not limited to, the following:

- Client interaction
- Project due diligence
- Code and ADA review
- Field work and field measuring of facilities
- Preliminary layout and conceptual design
- Coordination with engineering disciplines
- Construction document production
- Shop drawing/submittal review
- Construction administration

Requirements:

- Punctual and Responsible
- Experience and proficiency with SketchUp and similar 3-dimensional modeling programs
- Experience and proficiency with Revit and AutoCAD
- Familiarity with the ADA, IBC and similar model codes
- Excellent communications skills, both written and verbal
- Willingness to work and put in additional time when project deadlines require the effort
- Must be a team player
