

## Project Manager / Architect

starr**design**, an award winning design firm based in Charlotte, is looking to hire a design oriented **Project Manager / Architect**. We specialize in connecting people to brands through inspired environments, with a focus on the restaurant and retail industries. We are searching for authentic, responsible people that are fully invested in both career growth and delivering quality projects. The ideal candidate will have a working knowledge of Revit, strong verbal and graphic communication skills, 5 - 7 years of commercial architectural design experience, and a professional or master's degree in architecture.

starr**design** offers an open and collaborative work environment that supports everyone's professional development and career growth. Our office is tied together with positive outlooks, good humor, and a willingness to embrace change. We believe that great design starts with exceptional people – those with diverse skill sets, dedication and great attitudes. We are looking for these exceptional people to add to our team, and we provide above market average compensation & benefits.

Qualified candidates should send their resume, work sample, and references to [LetsTalk@starrdesignteam.com](mailto:LetsTalk@starrdesignteam.com). Please feel free to email us. We are very busy (that's why we're hiring), and a phone call will only be distracting.
