

Keystone Architecture, Inc., a Cordogan Clark Company based in Lafayette, Indiana, is seeking to hire a creative graduate architect to assist with our diverse portfolio of projects and clients in K-12, Higher Education, Corporate/Commercial, Retail/Hospitality, and Multi-family projects. You would get to participate in all phases of a project from client interaction, SC, DD, CD, CA and assist with preparing and revised drawings, rendering and presentation materials.

**Applicants must have a Bachelor or Master degree from an accredited university for architecture.**

This position will require strong communication, time management, and organization skills. Candidate must be proficient in Revit and AutoCAD and knowledgeable of Adobe suite, Sketch-up and Microsoft Office. Others skills we are looking for include strong graphic, design and/or technical skills and ability to work in a fast-paced environment on multiple projects with a team, consultants and also individually.

**Requirements:**

- Punctual and Responsible

- Familiarity with the ADA, IBC and similar model codes

- Willingness to work and put in additional time when project deadlines require the effort

- Must be a team player

Keystone Architecture is an expanding company, offering opportunities for advancement and professional growth.

We offer excellent benefits, including health care and health savings accounts. Salaries are competitive, and commensurate with experience
