

PROJECT ARCHITECT / PROJECT MANAGER

LANCER + BEEBE, LLC is a young, energetic design firm experiencing significant growth. Our work is in K-12 education, Urban Redevelopment (mixed-use, multifamily), Religious and Municipal. Our growth is taking us throughout the state of Indiana and into North Carolina and Arizona. We are actively seeking a creative, design-minded Project Architect (6-12 years' experience) to help us execute our work for our clients.

This position is based in our new headquarters in downtown Indianapolis and requires strong communication skills, professionalism, and organizational skills. This candidate would work closely with the firm partners and the clients to develop the building program and design concepts, and manage the architectural/engineering team through design development, the construction document phase, bidding and construction phase.

REQUIREMENTS:

- Bachelor's or Master's degree in architecture with 6-12 years' experience (IN Architectural Registration a plus)
- Proficiency with AutoCAD in producing Construction Documents
- Proficiency with SketchUp 3D modeling
- Proficiency with PhotoShop, PowerPoint, Excel
- Ability to manage a project through all phases and coordinate with other disciplines
- Excellent communication skills and ability to work closely with client
- Must be self-motivated and team-oriented
- Excellent time management and organizational skills
