$70 for non-members

AGENDA
3:00 - 3:30 registration and networking
3:30 - 5:00 panel discussion
5:00 - 6:00 social and networking

Today’s disruptive environment is reshaping every aspect to project delivery. Where once we lived in a consistent and predictable process of design and delivery, the future is proving to be different. This panel discussion will take a bold look at where corporate facilities delivery is moving and how we all can work together to provide the end client with projects and properties that serve their needs and help them stay competitive.
