Jury members will represent a cross section of our profession with backgrounds in small and large private practices, public or governmental practice, educational, art and allied professions, and architectural journalism.

All decisions of this jury are final and independent from AIA Indiana, its officers, directors, committee members, and staff. The Excellence in Architecture Committee does not participate in the jury deliberations, but will organize the jury, ship and receive entries to and from the jury for deliberations, and facilitate preparation and presentation of the awards.

### **Recognition**

In each category listed, a minimum of one Citation and one Merit award may be awarded. At the Jury's discretion, a single Honor Award may also be awarded in each category. The Jury reserves the right to withhold awards due to lack of qualified entries within a category. This year there will also be an 'Excellence in Architecture' award that will be given to the standout submission selected from all entries.
