# Completed Space

The bar itself was inspired by vintage furniture and fixtures with rich wood tones and soft curves to articulate detail.

The purposeful use of brass throughout was inspired by a variety of timeless and complex jazz instruments of many kinds.

# Brand Design

Nostalgia's central intention was to create unique, head-turning moments that could draw patrons in off the busy streets of Over the Rhine.

Nostalgia's narrative is to be defined as uniquely expressive when celebrating minority wine makers.

Bringing back the essence of smooth jazz through harmonizing moody, darker colors, bold patterns such as the black and white diagonal flooring, intimate seating, and a relaxing atmosphere, this upmarket lounge leaves customers going with the urge to return.

### PRESENTING MUSIC BY WOLPERT ZIMMERMAN

London Fill

Zimmerman was an American jazz saxophonist and composer. Working in the bebop and hard bop idioms early in his career, Coltrane helped pioneer the use of modes and was at the forefront of free jazz. He led at least fifty recording sessions and appeared on many albums by other musicians, including trumpeter Miles Davis and pianist Thelonious Monk. Centaur

Completed Space

# Completed Space

Placing the stage against a nano wall, allows the space to extend to the outdoor patio. When Nostalgia opens the doors, jazz music drifts through the air to neighboring passerbyers, restaurants and bars, creating a sense of community and connection.

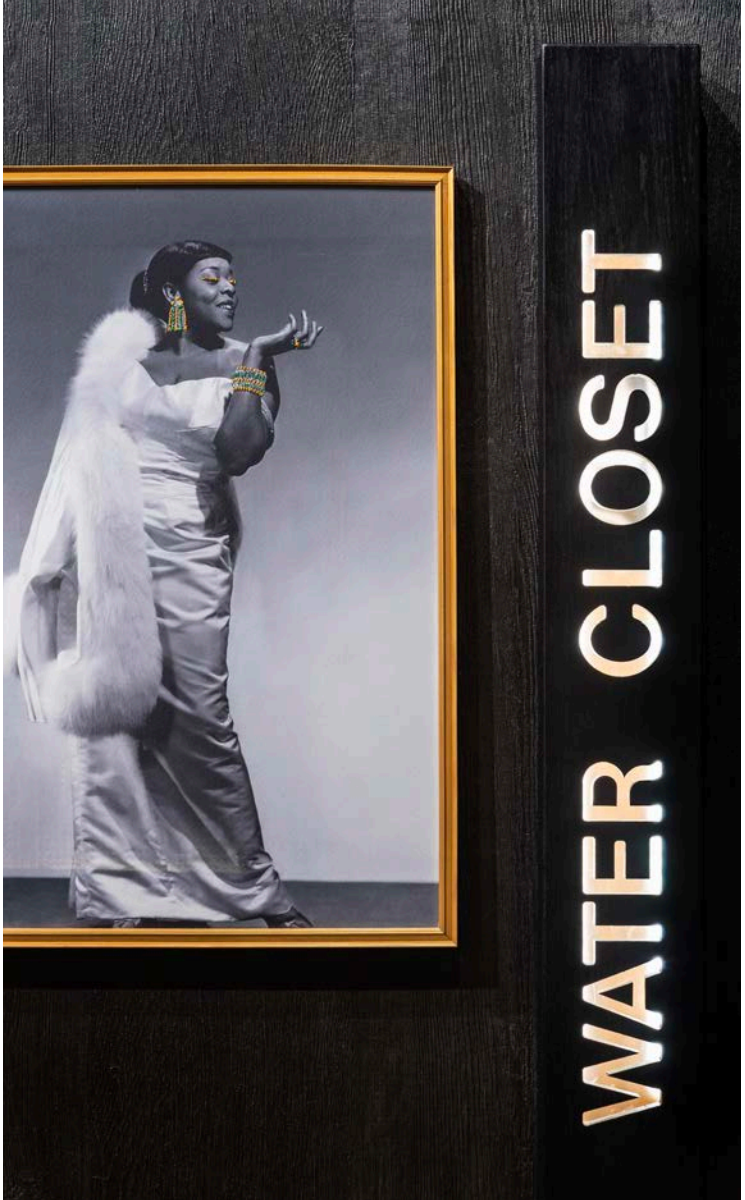

Achieving the beautiful balance between wine and jazz by pairing the rich history of wine with the bold moves of Jazz this space is goes beyond the future of the Cincinnati bar and music scene.

# Details

Respecting the past and celebrating the present, this jazz lounge is submerged with the authentic sound, feel and aura of jazz that you can't find anywhere else in the city.

# Spirit

This woman and minority-owned business chose to stand out in the sea of similar new bars located in Over-the-Rhine.

Nostalgia has established a unique presence in a small space by highlighting the best local products available to patrons.

Hosting local musicians on a weekly basis, poetry evenings, and other personal gatherings, Nostalgia brings to life the local artist industry together onto one stage.

This space is designed as an intimate lounge inspired by Cincinnati's rich musical history and culture, expressing individuality and creativity that are inherent within the city of Cincinnati.
